IN UP OUT	ST LUKE'S CHURCH LIFE MATTERS	IN UP OUT
-----------------	-------------------------------	-----------------

In every aspect of being and doing church we want to...

IN ...Know God personally. Growing as disciples (following Jesus) and discipling others. Belonging in the church and being united in relationship with one another through faith in Christ.

UP ...Worship God (Father, Son & Holy Spirit) in everything. Abiding with Jesus - intentional worship, committed to prayer & intimacy in relationship with God. Jesus at the centre of our lives.

OUT ...Reach out to others and the world around us. Intentional in mission, evangelism and social action....modelling and sharing God's love and our faith; leading others towards a personal relationship with Jesus.

We want to give intentional support to those at St Luke's

We aim to do this in the following ways between 2020 - 2024

- To be intentional in showing and giving hospitality
- To set up a bereavement group
- To support those leading mission and ministry and to grow new leaders
- To have regular name badge Sundays
- To have three shared lunches a year after Sunday's service
- To communicate the best we can, in the variety of ways available
- To be intentional about succession planning

We want to celebrate St Luke's Church being a place of worship and a worshipping community for the past 150 years.

We aim to do this in the following ways throughout 2021

- A Celebration Service
- Producing a history booklet of the parish and visit every home in the parish, give them a booklet and invite them to an event
- If possible, complete the flooring and heating project
- Run a Street Party in Church Road
- Run an outreach event in church with a well-known guest speaker
- Host a confirmation Service

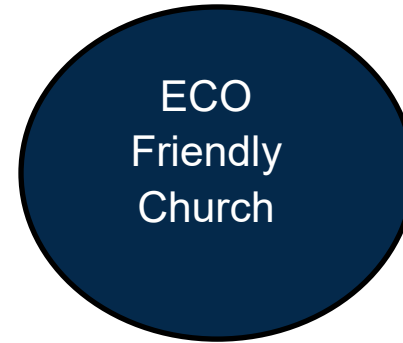

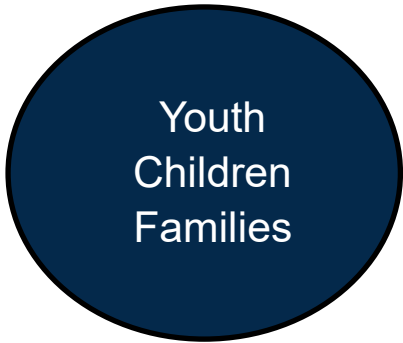

We want to keep our building in good condition, up-to-date and being used by the church and the community

We aim to do this in the following ways between 2020 - 2024

- Replace the floor in the main church
- Replace the heating in the main church
- Replace the lighting in the main church
- Paint the Annex walls and walls of the main church space
- Keep the building & grounds in good condition and working order
- Build a Remembrance Garden

We believe in nurturing and growing faith in children and young people.

We aim to do this in the following ways between 2020 - 2024

- Support and sustain our existing children's and youth groups
- To develop Parenting for Faith and to host a parenting course
- Develop and grow Messy Church & Little Fishes
- Enable our youth to go on some youth camps
- Continue running annual events like The Alternative
- Have a Children / Youth / Families Champion in the church

We believe God has given us responsibility to care for the world...we want to do this in the best way we can

We aim to do this in the following ways between 2020 - 2024

- To be an ECO church...:
 - In our teaching, worship and lifestyle
 - With the land, community & globally
 - With our building
- To have an ECO focused service twice a year
- To measure this mission, we will work through the ECO church programme which, as areas are achieved/competed, we move through the bronze award to silver and ultimately gold!
- Invite in outside speakers
